“Post-WW2 Look Up Table”

SEARCH BY FEEDER SCHOOLS

In its electronic form, this document contains underlined, hypertext links to additional material, including alternative source data and archived video/audio clips.
[To open these links in a separate browser tab and thus not lose your place in this e-document, press control+click (Windows) or command+click (Apple Mac) on the underlined word or image]

Version 1.0 dated 24 March 2022 IBM Steward 6GE

Please Read First - Instructions on How to Use These Tables

This is the Database of Post-WWII RAFC Flight Cadets (1947-1973), sorted by Feeder Schools. Feeder School information for 19 FTS trainees (1945-1947) and GE graduates (1970-1979) does not exist.

Most cells contain basic information such as Name, Initials, Entry Month and Year, Graduation Date, etc. However, many cells contain underlined text, indicating that there is a link to supplementary information from elsewhere on this CHS website or from other websites. In constructing this database, we have accessed and verified data across over 120 data sources referenced on the last page of this album. Together with the links to other albums already created on this CHS website, we provide as comprehensive an account as we can from a single point of enquiry as a start point for your own analysis.

This “linked information” can be accessed without losing your place in the Look Up Table, simply by clicking on the underlined text. **For Apple Mac users, hover over the underlined text and press COMMAND+CLICK; for Windows users, press CONTROL+CLICK.** So doing, a new tab will open in your internet browser, to the right of your current tab, where you will find the supplementary information. To return to this Look Up table, merely select the original tab where you will find the table still open at the page you left.

There is a lot of data contained in these tables and you will likely have to use the Zoom function on your web browser. If you have any queries, send an email to ibms520@gmail.com using the Contact Us tab on this CHS website.
